LIST OF WORK OF GOVERNMENT RESEARCH LABORATORIES AND
OFFICES WHICH DEAL WITH SUBJECT MATTER OF INTEREST
TO HOME ECONOMICS TEACHERS AND STUDENTS.

This is presented as a part of the report of the Committee on
Research Information of the American Home Economics Association, at the
annual meeting held in June, 1921, at Swampscott, Mass.

By
Minna C. Denton, Assistant Chief,
Office of Home Economics, States Relations Service.
U. S. Department of Agriculture, Washington, D. C.

In making inquiries relative to investigations it is advisable to address the chief of the bureau or office concerned, as such letters are most likely to reach the person most nearly qualified to reply. When the interest is in some particular phase of the subject, a specific inquiry mentioning the point concerning which information is desired, is more likely to bring results, than a general demand such as "Please send all available literature on cheese."

In asking for publications address the Division of Publications of the Department concerned, for such printed material as may be distributed free of charge, or else write to your congressman. In sending for those publications which are to be obtained only by purchase, address Superintendent of Documents, Government Printing Office, Washington, D. C. In sending for mimeographed material, address the office of the chief of the bureau concerned.

Abbreviations Used.

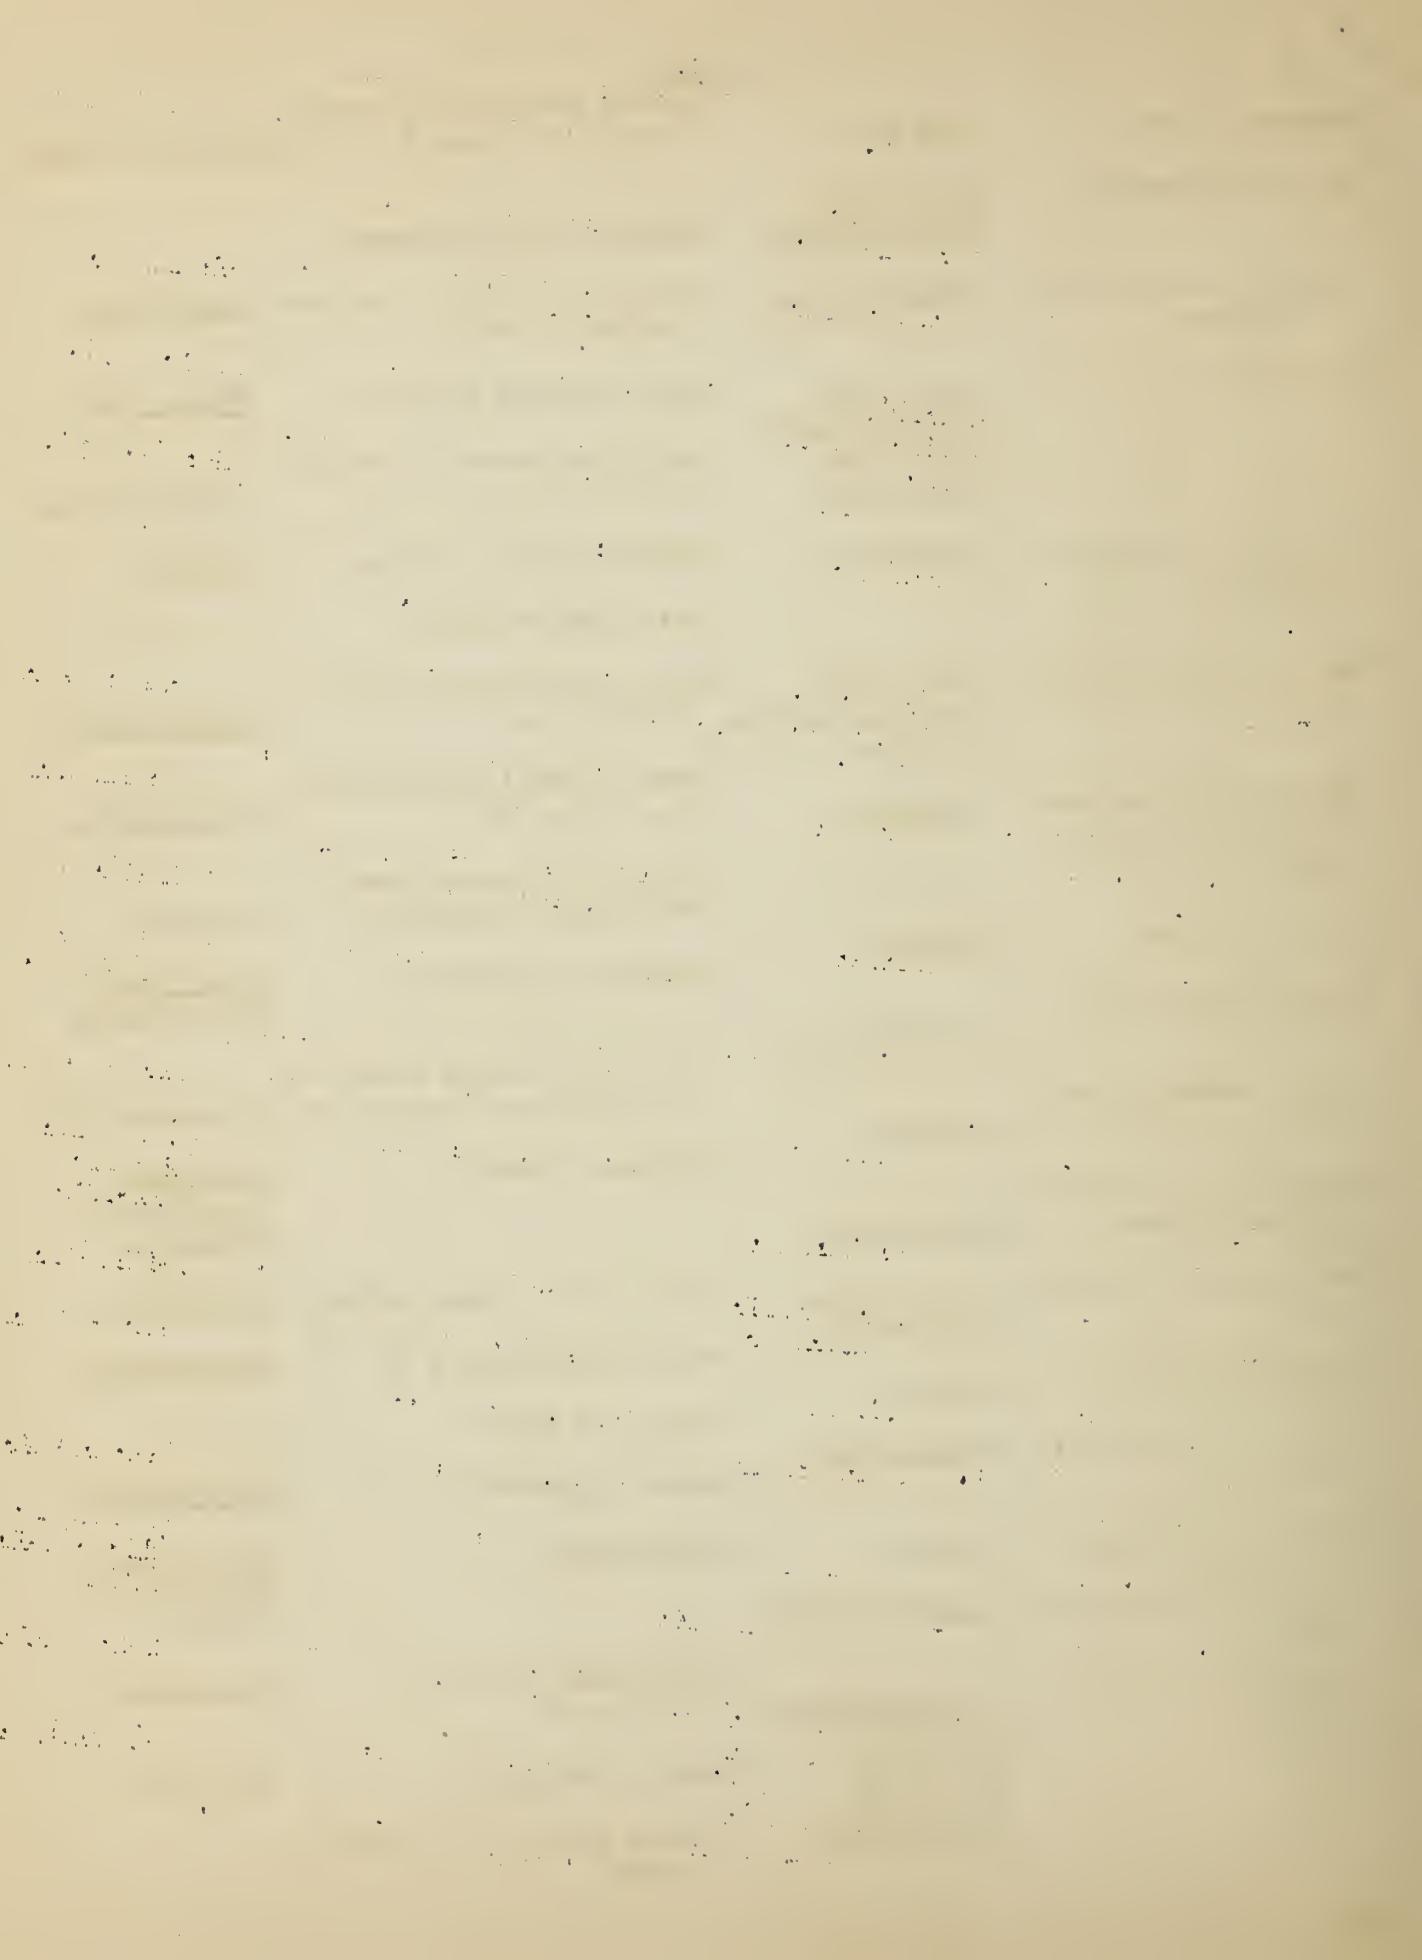

| | |
|-----------------|---|
| An. Husb. | Animal Husbandry, Bureau of Animal Industry, Dept. Agr. |
| Bur. An. Ind. | Bureau of Animal Industry, Dept. Agr. |
| Biochem. Div. | Biochemical Division, Bur. An. Ind., Dept. Agr. |
| Biol. Sur. | Biological Survey, Dept. Agr. |
| Boys & Girls C. | Boys and Girls Clubs, S.R.S., Dept. Agr. |
| Bur. Chem. | Bureau of Chemistry, Dept. Agr. |
| Bur. Ed. | Bureau of Education, Dept. Int. |
| Bur. Fish. | Bureau of Fisheries, Dept. Com. |
| Bur. Lab. Stat. | Bureau of Labor Statistics, Dept. Lab. |
| Bur. Mines | Bureau of Mines, Dept. Int. |
| Bur. Pl. Ind. | Bureau of Plant Industry, Dept. Agr. |
| Bur. Stand. | Bureau of Standards, Dept. Com. |
| Carb. Lab. | Carbohydrate Laboratory, Bur. Chem., Dept. Agr. |

| | |
